

## **Application for ICAN Board Directors**

We are excited that you are interested in becoming a board member for the Intervention & Crisis Advocacy Network (ICAN)! We would like to share some key information about being a board member at ICAN.

Our board consists of 12 members who meet every two months for regular board meetings, which typically last between 1 to 2 hours. We have several ongoing committees, with additional ones being formed as needed. Depending on your involvement, you may also participate in periodic meetings for those committees.

As a non-profit organization, the primary responsibility of the board is to promote and raise funds for ICAN. Currently, we hold two major fundraisers each year: the Cinco de Mayo dinner fundraiser in El Reno and the Together We Heel Walk during the Chickasha Arts Festival weekend. These fundraisers require time and effort from each board member to ensure their success.

Within two weeks of submitting your application, you will be contacted to discuss any additional thoughts or questions. All potential board members will have the opportunity to attend a board meeting before officially joining to get a sense of how it operates. Finally, if you are confirmed by the Nominating Committee, your name will be included on the agenda for the next board meeting to be considered.

Thank you for your interest in joining ICAN!

ICAN is a great asset to this community, and we THANK YOU for your interest and passion to want to be involved. If you have any questions, or to submit your completed application, please feel free to contact
